

## NEODUSTRIA INTELLIGENCE PLATFORM - QUESTIONS & ANSWERS DATASET

=====

### GENERAL PLATFORM INFORMATION

=====

Q: What is Neodustria Intelligence?

A: Neodustria Intelligence is a comprehensive business intelligence platform designed for manufacturing and industrial companies. It provides insights on global markets, technology innovation, competitive intelligence, and compliance regulation to help businesses make informed decisions.

Q: What are the main sections of the platform?

A: The platform has six main sections:

- Dashboard - Main overview and project management
- Global Markets - Materials, commodities, and vendor management
- Technology & Innovation - Patents, research, and startup ecosystem
- Competitive Intelligence - Competitor analysis and market intelligence
- Compliance & Regulation - Regulatory tracking and compliance
- Support - Help center and documentation

Q: What is the purpose of this platform?

A: The platform helps manufacturing and industrial companies make data-driven decisions by providing comprehensive insights across global markets, technology trends, competitive landscape, and regulatory requirements.

### NAVIGATION & PAGE REDIRECTION

=====

Q: How do I go to global materials?

A: To access global materials, click on "Global Markets" in the sidebar menu or navigate directly to /global-markets. Once there, you'll see the "Materials & Commodities" tab which contains all global materials data including real-time prices, forecasts, and market analysis.

Q: How do I redirect to the dashboard?

A: Click on "Dashboard" in the sidebar menu or navigate to /dashboard. This is your main hub for project overview and quick access to all platform features.

Q: How do I navigate to competitive intelligence?

A: Click on "Competitive Intelligence" in the sidebar menu or go to /competitive-intelligence to access competitor analysis tools.

Q: How do I go to technology innovation page?

A: Click on "Technology & Innovation" in the sidebar or navigate to /technology-innovation to access patents, research, and startup data.

Q: How do I redirect to support page?

A: Click on "Support" in the sidebar menu or navigate to /support to access help resources and documentation.

Q: How do I access settings page?

A: If you have admin privileges, click on "Settings" in the sidebar or navigate to /settings. This option is only visible to admin users.

Q: How do I go to compliance regulation page?

A: Click on "Compliance & Regulation" in the sidebar menu or navigate to /compliance-regulation.

Q: How do I navigate between different tabs within a section?

A: Once you're in a section like Global Markets or Technology & Innovation, click on the tab headers at the top of the content area to switch between different views (e.g., Materials & Commodities vs Supply Chain & Vendors).

Q: How do I go back to the main page from any section?

A: Click on "Dashboard" in the sidebar menu or use your browser's back button to return to the previous page.

Q: Can I use direct URLs to access specific pages?

A: Yes, you can bookmark or directly navigate to:

- /dashboard - Dashboard
- /global-markets - Global Markets
- /technology-innovation - Technology & Innovation
- /competitive-intelligence - Competitive Intelligence

- /compliance-regulation - Compliance & Regulation
- /settings - Settings (admin only)
- /support - Support

Q: How do I navigate to login page?

A: Go to /login to access the login form.

Q: How do I access registration page?

A: Navigate to /register for new user registration.

Q: How do I go to password recovery?

A: Visit /forget-password to reset your password.

## GLOBAL MARKETS SECTION

=====

Q: Where can I find material prices?

A: Material prices are available in the Global Markets section. Navigate to /global-markets and select the "Materials & Commodities" tab. You'll see real-time prices, 24-hour changes, volatility levels, ESG scores, and historical data.

Q: What can I do in Global Markets?

A: Global Markets provides comprehensive market intelligence with two main tabs:

Materials & Commodities:

- Real-time material price tracking
- 24-hour change monitoring with gain/loss indicators
- Volatility analysis and ESG scoring
- 12-month demand and supply forecasts
- Futures prices analysis
- Regional filtering (Europe, Asia, Americas)
- Material type filtering (Ferrous Metals, Light Metals, Composites, Polymers)

Supply Chain & Vendors:

- Vendor profiles with ratings and performance metrics

- Supply chain risk assessment
- Vendor news monitoring
- Geographic distribution analysis
- Tier-based filtering (Tier 1, 2, 3)

Q: How do I filter materials by region or type?

A: In the Global Markets section, use the filter controls at the top of the Materials & Commodities tab. You can filter by:

- Region: All, Europe, Asia, Americas
- Material Type: All, Ferrous Metals, Light Metals, Composites, Polymers
- Search: Use the search bar to find specific materials or tickers

Q: What information is available for each material?

A: For each material, you can view:

- Material name and ticker symbol
- Current price and 24-hour percentage change
- Volatility level (Low, Medium, High)
- ESG (Environmental, Social, Governance) score
- Regional information
- 12-month supply and demand forecasts
- Futures contract prices for different expiry dates

Q: How do I access vendor information?

A: Go to Global Markets section and click on the "Supply Chain & Vendors" tab to view vendor profiles, ratings, and performance data.

Q: How do I view material forecasts?

A: In the Global Markets section, select a material from the list and the forecast chart will automatically update to show 12-month supply and demand projections.

Q: How do I check top market movers?

A: In the Global Markets section, look for the "Top Movers (24h)" panel which shows the biggest gainers and losers in material prices.

## TECHNOLOGY & INNOVATION SECTION

=====

Q: Where can I find patent information?

A: Patent information is available in the Technology & Innovation section. Navigate to /technology-innovation and select the "Patents & IP" tab. You can search and analyze patents from various offices worldwide including USPTO, EPO, JPO, and WIPO.

Q: What technology insights are available?

A: The Technology & Innovation section provides three comprehensive tabs:

Patents & IP:

- Patent search across multiple offices (USPTO, EPO, JPO, WIPO)
- Status filtering (Granted, Pending, Expired)
- Assignee and inventor analysis
- Patent landscape visualization
- Technology trend analysis

Research & Academia:

- Academic research paper database
- Institution filtering (MIT, Stanford, Max Planck, etc.)
- Field of study categorization
- Publication date tracking
- Research trend analysis

Startup Ecosystem:

- Startup database and profiles
- Funding and investment tracking
- Investor information and portfolios
- Sector and development stage filtering
- Geographic analysis of startup activities

Q: How do I search for patents?

A: In the Technology & Innovation section, go to the "Patents & IP" tab. You can:

- Use the search bar to find patents by keywords, assignee, or inventor
- Filter by patent office (USPTO, EPO, JPO, WIPO, or All)
- Filter by status (Granted, Pending, Expired, or All)
- View detailed patent information including titles, assignees, and publication dates

Q: What startup information can I access?

A: The Startup Ecosystem tab provides:

- Company profiles with founding information and descriptions
- Funding rounds and total funding amounts
- Development stage (Seed, Series A, B, C, etc.)
- Sector categorization and industry focus
- Geographic location and market presence
- Investor relationships and funding sources
- Growth metrics and performance indicators

Q: How do I access research papers?

A: Navigate to Technology & Innovation section and click on the "Research & Academia" tab to browse academic papers and research publications.

Q: How do I filter patents by office?

A: In the Patents & IP tab, use the patent office dropdown to select USPTO, EPO, JPO, WIPO, or All to filter results by patent office.

## COMPETITIVE INTELLIGENCE SECTION

=====

Q: How do I analyze competitors?

A: Use the Competitive Intelligence section by navigating to /competitive-intelligence. You can search for competitors, compare strategic positions using radar charts, track recent market moves, monitor personnel changes, and analyze global market presence.

Q: How does competitive intelligence work?

A: The Competitive Intelligence section provides comprehensive competitor analysis through several modules:

- Competitor Search: Find and select competitors for detailed analysis
- Strategic Posture: Radar chart comparisons of R&D, pricing, market share, M&A activity, and marketing spend
- Recent Market Moves: Timeline of competitor activities including product launches, acquisitions, and expansions
- Personnel Changes: Track key hires and departures with previous company information
- Signals & Insights: Monitor job postings, press releases, financial reports, and marketing campaigns
- Global Presence: Geographic footprint and market presence mapping

Q: What competitor information can I track?

A: For each competitor, you can access:

- Company profile with headquarters location, revenue, and employee count
- Strategic positioning across multiple business dimensions
- Recent market activities and business moves
- Key personnel changes including new hires and departures
- Market signals from various sources (jobs, press, campaigns, financials)
- Global office locations and operational presence
- Comparative analysis against your company's position

Q: How do I search for competitors?

A: Use the search bar at the top of the Competitive Intelligence page to find and select competitors for analysis.

Q: How do I compare strategic positions?

A: Select a competitor and view the Strategic Posture radar chart that compares your company against the competitor across multiple dimensions like R&D, pricing, market share, M&A activity, and marketing spend.

## DASHBOARD & PROJECT MANAGEMENT

=====

Q: What can I see on the dashboard?

A: The Dashboard provides a comprehensive overview including:

- Project statistics (total projects, in progress, drafts, completed)
- Recent project activities and updates
- Market analytics integration
- Global operations map showing worldwide activities
- News ticker with latest industry updates
- Quick access links to all platform sections
- Performance metrics and key indicators

Q: How do I manage projects?

A: Project management is handled through the Dashboard where you can:

- View all projects with their current status
- Track project progress from draft to completion
- Access project details and documentation
- Monitor project timelines and milestones
- View project statistics and performance metrics

Q: How do I view project statistics?

A: On the Dashboard, you'll see project statistics cards showing total projects, projects in progress, drafts, and completed projects.

Q: How do I access the global operations map?

A: The global operations map is displayed on the Dashboard showing worldwide business activities and operations.

## SUPPORT & HELP

=====

Q: Where can I get help or support?

A: Visit the Support section by clicking "Support" in the sidebar or navigating to /support. Available resources include:

- Documentation: Comprehensive platform guides and tutorials
- Account Support: Help with account-related issues
- Billing: Billing information and payment support

- Tickets: Submit and track support requests
- Community: User community and forums
- Feature Requests: Submit suggestions for new features

Q: How do I access documentation?

A: Documentation is available through the Support section. Click on the "Documentation" topic which will direct you to comprehensive guides covering all platform features and functionality.

Q: How do I submit a support ticket?

A: Go to the Support section and click on the "Tickets" option to submit and track support requests.

Q: How do I request new features?

A: In the Support section, click on "Feature Request" to submit suggestions for new platform features.

## ADMIN & SETTINGS

=====

Q: How do I access admin features?

A: Admin features like Settings are only available to users with admin privileges. If you're an admin, you'll see the "Settings" option in your sidebar menu at /settings. Admin features include:

- Adding news and insights to the platform
- Domain management and configuration
- Content creation and management tools
- User management and permissions

Q: How do I add news to the platform?

A: If you have admin access, go to Settings and use the news creation form to add headlines, sources, categories, and publication dates.

Q: Who can access the settings page?

A: Only users with admin role can access the Settings page. Regular users will not see this option in their sidebar.

## SEARCH & FILTERING

=====

Q: Can I filter and search data across the platform?

A: Yes, all sections include comprehensive filtering and search capabilities:

- Global Markets: Filter by regions, material types, vendor tiers, and risk levels
- Technology & Innovation: Filter by patent offices, research institutions, publication years, and development stages
- Competitive Intelligence: Filter signals by type (jobs, press, campaigns, financials)
- General Search: Use search bars in each section to find specific items

Q: How do I use the search functionality?

A: Each section has search bars where you can enter keywords, company names, material names, or other relevant terms to find specific information.

Q: What filters are available in Global Markets?

A: Global Markets offers filters for:

- Material regions (Europe, Asia, Americas)
- Material types (Ferrous Metals, Light Metals, Composites, Polymers)
- Vendor tiers (Tier 1, 2, 3)
- Risk levels (Low, Medium, High)

## AUTHENTICATION & ACCESS

=====

Q: How do I log in to the platform?

A: Access the login page at /login. The platform also supports:

- User registration at /register
- Password recovery at /forget-password
- Email verification at /email-verification
- Invitation-based registration at /invite-registration

Q: How do I register for an account?

A: Navigate to /register to create a new user account.

Q: What if I forgot my password?

A: Go to /forget-password to reset your password using your email address.

Q: How do I verify my email?

A: After registration, you may need to verify your email at /email-verification.

Q: How do I register with an invitation?

A: If you received an invitation, use the link provided or navigate to /invite-registration.

## PLATFORM URLS & ROUTES

=====

Q: What are all the available URLs on the platform?

A: Here are all the main platform routes:

### Main Application Routes:

- /dashboard - Main dashboard and project overview
- /global-markets - Materials, commodities, and vendor management
- /technology-innovation - Patents, research, and startup ecosystem
- /competitive-intelligence - Competitor analysis and market intelligence
- /compliance-regulation - Regulatory tracking and compliance
- /settings - Administrative settings (admin only)
- /support - Help center and support resources

### Authentication Routes:

- /login - User login
- /register - User registration
- /forget-password - Password recovery
- /email-verification - Email verification
- /new-password - New password setup
- /invite-registration - Invitation-based registration

Q: Can I bookmark specific pages?

A: Yes, you can bookmark any of the main routes listed above for quick access.

Q: How do I share a specific page with colleagues?

A: Copy the URL from your browser's address bar and share it. Make sure your colleagues have appropriate access permissions.

## QUICK REFERENCE GUIDE

=====

Q: What are the most common user tasks and their locations?

A: Here's a quick reference for common tasks:

- Check material prices: Global Markets → Materials & Commodities tab
- Find patents: Technology & Innovation → Patents & IP tab
- Analyze competitors: Competitive Intelligence section
- View project status: Dashboard
- Research startups: Technology & Innovation → Startup Ecosystem tab
- Monitor vendors: Global Markets → Supply Chain & Vendors tab
- Get help: Support section
- Access settings: Settings (admin only)

Q: How do I quickly navigate between sections?

A: Use the sidebar menu on the left side of the screen to quickly jump between different sections of the platform.

Q: What should I do if I'm lost or can't find something?

A: Visit the Support section for help, use the search functionality within each section, or refer to the documentation for detailed guidance.

Q: How do I switch between different views within a section?

A: Look for tab headers at the top of the content area (like "Materials & Commodities" and "Supply Chain & Vendors" in Global Markets) and click to switch between different views.

Q: Can I access the platform on mobile devices?

A: The platform is designed to be responsive and should work on various screen sizes including mobile devices.

## TROUBLESHOOTING & COMMON ISSUES

=====

Q: What should I do if a page doesn't load?

A: Try refreshing the page, check your internet connection, or navigate to the page using the sidebar menu instead of direct URLs.

Q: How do I report a bug or technical issue?

A: Go to the Support section and submit a ticket describing the issue you're experiencing.

Q: What if I don't see the Settings option in my sidebar?

A: The Settings option is only visible to users with admin privileges. Contact your administrator if you need admin access.

Q: How do I get access to additional features?

A: Contact your administrator or submit a feature request through the Support section.

Q: What browsers are supported?

A: The platform works best with modern browsers like Chrome, Firefox, Safari, and Edge. Make sure your browser is up to date.

## ADDITIONAL FEATURES & TIPS

=====

Q: How do I stay updated with the latest news?

A: The news ticker at the top of the platform displays the latest industry updates and platform news.

Q: Can I customize my dashboard view?

A: The dashboard provides a comprehensive overview of your projects and key metrics. Contact support for customization options.

Q: How do I export data from the platform?

A: Export functionality may be available in specific sections. Look for export buttons or contact support for data export options.

Q: Are there keyboard shortcuts available?

A: Use standard browser shortcuts for navigation. Specific platform shortcuts may be documented in the Support section.

Q: How do I provide feedback about the platform?

A: Use the Feature Request option in the Support section to provide feedback and suggestions for improvements.

Where is the dashboard?      Go to the sidebar → click on the first item “Dashboard” to open it.

Where is the Global Markets page?

Go to the sidebar → click on “Global Markets” to view commodity markets and supply chain intelligence.

Where is the Technology & Innovation page?

Go to the sidebar → click on “Technology & Innovation” (with the lightbulb icon) to see innovation trends.

Where is Compliance & Regulation?

Go to the sidebar → click on “Compliance & Regulation” (with the shield icon) to open the compliance dashboard.

Where is Competitive Intelligence?

Go to the sidebar → click on “Competitive Intelligence” to compare competitors.

Where is Settings?

Go to the sidebar → scroll to the bottom → click on the “Settings” tab to open your settings.

Where is Support?

Go to the sidebar → scroll to the bottom → click on “Support” to open the help section.

How do I open the Chat Widget?

Look at the bottom-right corner of any page → click on the round chat button → the chat box will slide up.
